University of HUDDERSFIELD

Inspiring tomorrow's professionals

Please note this is from the student perspective. Using the Campus Pack tool outside a module will require the student to set up permissions for the eportfolio or any other tool to be shared with staff and users.

1

Type in this web address:

https://unilearn.hud.ac.uk

and log in.

2

Once logged in, click on the 'Campus Pack' tab.

'Campus Pack' wont be available unless you are on 'My Institution'.

3

To create an eportfolio choose Add content in the content panel.

Wiki
A completely blank wiki.

Preview

4 Select Wiki from the list of content.

WIki
A completely blank wiki.

Title

This will be used to generate the URL; e.g. http://hud-ac-uk.campuspack.eu/Users/Jessica.Allen_1/My_Content

Description

Formats ▾ | B | I | U | ☰ ☰ ☰ ☰ | ☷ ☷ | ☷ ☷

p

This description will typically be displayed alongside the title.

Add
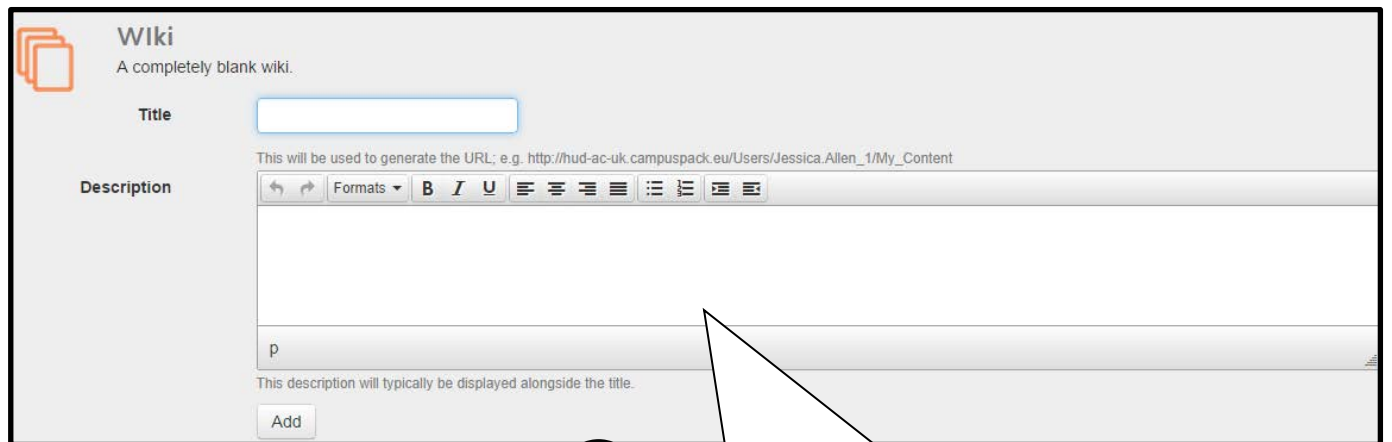

5 Add the title of your eportfolio here, It's also useful to add a description of what the eportfolio should be used for.

The student and anybody else that they have shared the eportfolio with will be able to see the activity panel on the right which will display when changes have been made to the content.

Here is where the students will be able to add pages for their eportfolio. For easy and quick navigation, each page will be listed here after creating them.
