Tips for Quicker Module Building in Brightspace

**Learning Bytes Session
April 2018**

What we are Covering

Plan ahead

Module Search

Drag and Drop files

Finding files

Bulk Edit

Module Builder

Setting Completion Status

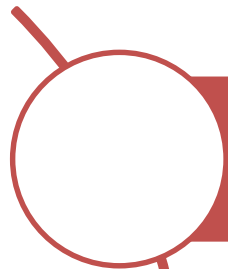

Copy or import content

Manage Dates

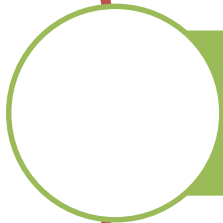

Plan Ahead

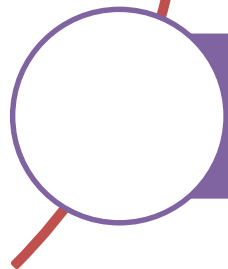

Sue Folley

Attend one of our planning workshops

Plan the structure you are going to use – depending on pedagogic approach

Discuss with course/module team members and consistencies you are going to incorporate

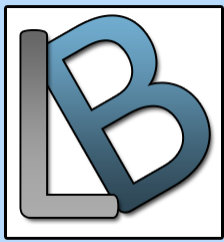

Module Search
