General Comments – Audio Feedback

- 1 Once you are in the Feedback Studio, click on the *Feedback Summary* icon.
 - 2 The feedback summary will then appear on the right hand side. This area allows you to create an audio recording or just type up a standard text comment.
 - 3 To make an audio recording, click on the **blue circle**.
 - 4 You can then **pause** the recording and carry on as needed. You can record up to 3 minutes of audio. To stop recording, press **Stop**.
 - 5 The recording can then be previewed by clicking the **Play** button. To save the recording, click on **Save**. Or if you do not like your recording, you can click **Delete** and start again.
 - 6 The audio recording will now be available within the assignment.
