Actions are scheduled for

3 - Term3
section options: edit | ↑move↓ | copy | adaptive release | delete collapse | top

Adaptive Release Scheduler

Add a new action for this section

date (DD/MM/YYYY) and time:
20/12/2012 00:00

action to perform:
 hide the section
 make the section visible

Future actions
• none

Past actions
more recent first
• none

Here you will have the option of adding an action to either hide a section or make a section visible.

Before selecting the action add the date and time then select the action to perform, input the date and time you want the action to be carried out then click on add action.
