

Enhance your teaching - inspire your students

# Introduction to UniTube & Video Streaming

Learning Bytes Session  
12th June 2013

Sue Folley & Andy Raistrick  
Computing & Library Services

Enhance your teaching - inspire your students

## Session Overview

Enhance your teaching - inspire your students

# If a Picture Paints a Thousand Words??

Enhance your teaching - inspire your students

## Why Use Video

Descriptive and Experiential Evidence

Multimedia Theory

Supplant of Cognitive Processes

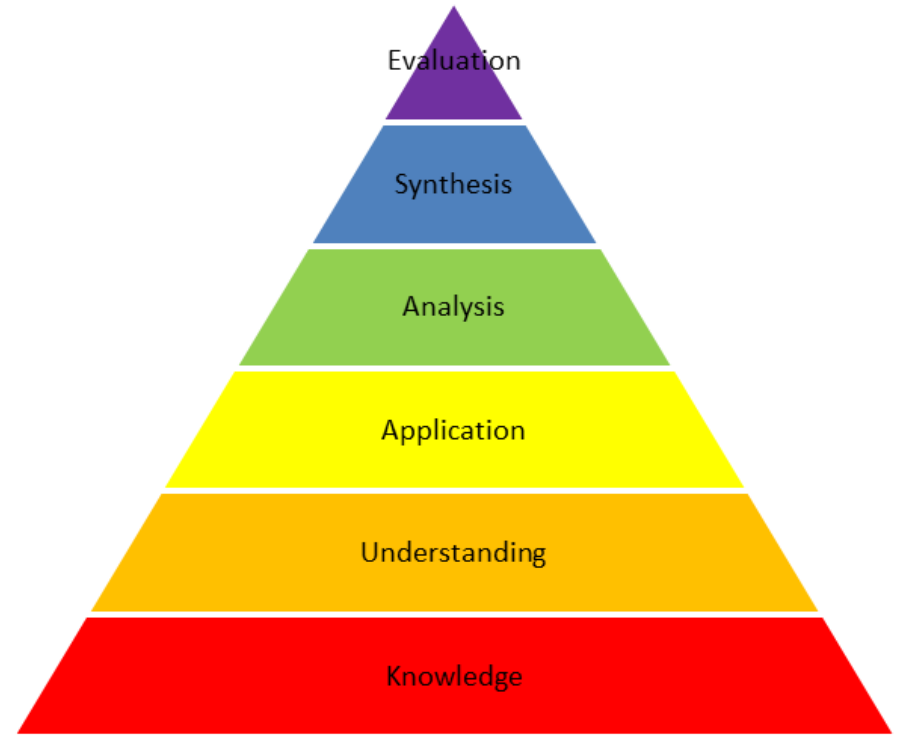

Enhance your teaching - inspire your students

Instructional Screencasts

Lectures

Off Air Recordings

Short video lectures are viewed by students at home before the class session, while in-class time is devoted to exercises, projects, or discussions

Bloom's Taxonomy

Enhance your teaching - inspire your students

# What is UniTube

University Authenticated Video Streaming Service

Upload Video, Record Freeview

Access on and off campus
