

Along the bottom of your menu on the left hand side will be the link for the Reading list.

1

Your tutor can set up the reading list how ever they like the one I'm using in the example is split up by term and then type.

2

3 There will be an electronic link if one is available and also a link on where to find you can it in the library.

**Links:**

- dawsonera — electronic book

remember me

by logging in, you are agreeing to abide by the terms & conditions

If you choose to get to the reading list through [Library.hud.ac.uk/myreading](http://Library.hud.ac.uk/myreading). Log in using your university log in and password.

6

## Quick links

- [add a new item](#)
- [search Summon](#) for books, journals & articles
- [manage your access to demo lists](#)
- [MyReading documentation](#) (opens in new window)
- Need any help? Just send an email to [myreading@hud.ac.uk](mailto:myreading@hud.ac.uk)

There are two areas of importance on the MyReading home page the first is the quick links area this is where items can be added to the reading list.

7

## Your Modules

module active in current academic year (2015/16)?

|   | module                  | module title                 |
|---|-------------------------|------------------------------|
| N | <a href="#">RLS0017</a> | Facilitating Online          |
| N | <a href="#">ZZZ0008</a> | demo list 8                  |
| N | <a href="#">ZZZ0012</a> | demo list 12                 |
| N | <a href="#">ZZZ0018</a> | demo list 18                 |
| N | <a href="#">ZZZ0051</a> | ONLINE DEMO LIST - STUDENT01 |
| N | <a href="#">ZZZ9999</a> | DUMMY MODULE                 |

The second is the table at the bottom which shows all of the reading list you are associated with.
